

Grading system for INcoming students at HELMo

We use the European grading system

19-20	A+	excellent	Outstanding performance with only minor errors
18	A		
17	B+	very good	Above the average standard but with some errors
16	B		
15	C+	good	Generally sound work but with a number of notable errors
14	C		
13	D+	satisfactory	Fair but with significant shortcomings
12	D		
11	E+	sufficient	Performance meets the minimum criteria
10	E		
9	FX	fail	Some more work required before the credits can be awarded
0-8	F	fail	Considerable further work required

S = pass and validation of the credits

NE = no assessment but validation of the credits

PP = the student didn't follow the course, didn't complete the school practice or didn't take the exam → no validation of the credits
